## Ethics and Compliance Manager (i)

Commercial Engineer from Universidad de Concepción, with more than ten years of experience in positions related to Compliance. Prior to joining Enap, he worked for more than six years as head of compliance and internal control in the firm Moneda Asset Management and was also in charge of prevention in one of its companies. Previously, he worked at the Financial Market Commission (CMF), the national financial market regulatory agency, specifically in control areas. Since August 2024, he has been interim manager of Ethics and Compliance of Enap, having previously worked for the company as Director of Ethics and Compliance.
