

ENAP

Yasna Ross Romero

COMMERCIAL MANAGER

Industrial Civil Engineer from the Pontificia Universidad Católica de Chile. She has more than twenty years of experience in the company, fifteen of which have been linked to the natural gas business. Ms. Ross has held various executive positions, always linked to the commercial area and business development. She was chief executive officer of Manu Peru Holding (100% subsidiary of ENAP in Peru) and manager of Control Management of the distributor Primax Perú, to later become commercial director of Natural Gas, and subsequently, Gas Manager. In April 2019 she assumed as Manager of Gas and Energy of ENAP. Since August 2020, she has been the Commercial Manager of ENAP.
