

ENAP

Mauricio Naveas Farías

CORPORATE LOGISTICS MANAGER

Industrial Civil Engineer from Universidad Técnica Federico Santa María (UTFSM). He has an international MBA from the same university and a diploma in Leadership Ethics from Universidad de Chile. He has an extensive career in the maritime and mining sectors, both nationally and internationally. In his experience, he held positions of high responsibility in Compañía Sudamérica de Vapores (CSAV), among them, General Manager of container operations in the regional office of Hamburg, Germany and VP Corporate Logistics for the CSAV group. He was also transport manager for the Australian multinational Orica in its regional office in Santiago. In March 2022, he took over as Corporate Supply Chain Manager at ENAP. He will hold the position of Corporate Logistics Manager since September 3, 2025.
